

Log in to Faculty Business via Wolverine Access

Important Information

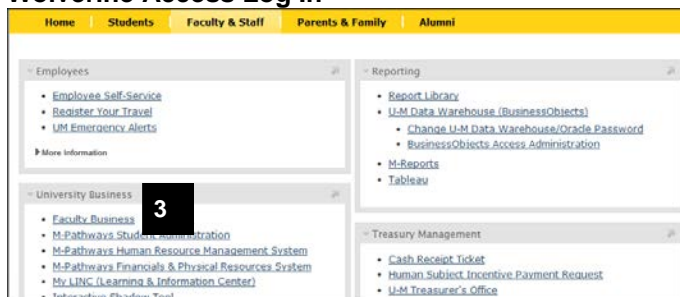

When a new instructor is assigned an initial class in M-Pathways, an overnight batch process establishes the instructor role that gives them access to Faculty Business. Therefore, new instructors cannot log in to Faculty Business until the day after they have been assigned an initial class in M-Pathways.

Wolverine Access Log In

1. Type <https://wolverineaccess.umich.edu> in your web browser.
2. Click **Faculty & Staff**.

Wolverine Access Log In

3. Click **Faculty Business**.

Web Login Page

4. Log in using your username and UMICH password.

Notes:

- Most instructors will select the "I don't have an MToken" checkbox.
- Only instructors who use an MToken to access other administrative systems must enter a Tokencode here.
- For more information, refer to <http://www.mais.umich.edu/mtoken/>. If you encounter problems with your username and UMICH password, refer to <http://www.itd.umich.edu/accounts>.
